COMMUNICATION

Dear Clients, Business Contacts & Friends,

Can you believe there is only one month 'til the holiday season? We would like to take this opportunity to thank everyone for their support during the necessary change-over of our administrative platform - we truly appreciate your patience and understanding. Now that everything has been finalized, we are indeed very excited for 2008 and look forward to continued success.

May we take this opportunity to wish you and your loved ones a festive season filled with peace, happiness and prosperity for 2008.

Best regards,
Shawn, Chantal & Staff

MIRZAM LAUNCHES ITS CAPITAL APPRECIATION FUND!

Mirzam, Sirius' sister firm in the United States, is proud to announce that it has launched its Capital Appreciation Fund.

Mirzam is a wealth management company that offers high net-worth investors alternative solutions to "standard" financial management and wealth building approaches, plus customized and personalized investment planning. Like Sirius, Mirzam is committed to creating mutually beneficial strategic alliances within the financial industry.

As a policy, Mirzam shuns companies that feature stock-based compensation plans because upon closer scrutiny, many have proven to be practicing legalized front-running, insider trading and stock watering... all wrapped up in a pretty package.

What you will find in the Mirzam portfolio are companies that appear to place the interests of their shareholders first. Solid, well-run firms with proven track records, pristine balance sheets and excellent management practices.

SEASONS GREETINGS FROM SIRIUS
